### Timothy Two Project International Accredited by National Financial Accountability Organization

WILMINGTON, NC – The ECFA (Evangelical Council for Financial Accountability) announced today the accreditation of Timothy Two Project International of Wilmington, NC.

ECFA accreditation is based on the [ECFA Seven Standards of Responsible Stewardship™](#), including financial accountability, transparency, sound board governance and ethical fundraising.

[Timothy Two Project International](#) joins a growing number of Christ-centered churches and ministries across America, supported by over 27 million donors that have earned the right to display the ECFA seal. When an organization is accredited by ECFA, it demonstrates its willingness to follow the model of biblical accountability.

“We are pleased to accredit a ministry committed to serve a critical need around the world by equipping and training indigenous pastors and other church leaders with the foundational truths of the Christian faith that they may then be able to train others,” said Dan Busby, president of ECFA.

Founded in 2011, Timothy Two Project International ([www.timothytwo.org](http://www.timothytwo.org)) seeks to realize the mandate from Christ to make disciples by doing so in areas of the world where there is little to no formal biblical or theological instruction available.
